Railroad

Cover Page

An updated cover page is included in the annual report available on tax.ok.gov. Enter the company name in the cover page text box and on OTC Form 902-2.

Certification of Value

The Oklahoma Tax Commission(OTC) will finalize all valuation numbers on June 16, 2021, in order to present its findings as to the valuation of property to the state board of equalization on or before the third Monday of June 2021.

Prior Year Apportionment Data

The prior year apportionment data report is included in each company's mailing of the annual report packet for assistance with completing the county detail (OTC Form 913-DV and 913-D) forms.

2021 School District and Ad Valorem Reference Numbers

The school district list is available at tax.ok.gov.

County Detail (913-DV and 913-D)

For completion of the county detail forms (913-DV and 913-D), refer to the updated 2021 School District and Ad Valorem Reference Numbers list. Please follow all instructions listed on the county detail (913-DV and 913-D) forms. Include legal/location description for all land and structures. Show enough detail to allow the assessor to identify and locate the property. Failure to do so may result in double assessment and/or penalty.
